## **OUR MISSION STATEMENT**

Blessed Trinity Parish is an open and welcoming Catholic community, centered in the Eucharist and celebrating God's gift of Diversity. We bring God's love to one another and support one another in responding to the challenge of living the Gospel. We strive to deepen participation and encourage all parishioners to take ownership for the everyday life of their church, especially Spiritual Growth, Community Life, the Building of a Just Society, and Service to All God's People.

## *From the Desk of Fr. Doug*

In last week's bulletin article I talked about the ways Christ is present in the Eucharistic liturgy. Since then a couple people asked "What's the difference between what Catholics believe about the Eucharist and what other Christian faith traditions believe. Catholics believe in what is referred to as the Real Presence, that Christ is present body, blood, soul and divinity in the Eucharistic bread and wine. Protestants only believe in the symbolic presence of Christ in the Eucharist. The United States Conference of Bishops explains the difference this way:

In everyday language, we call a "symbol" something that points beyond itself to something else, often to several other realities at once. The transformed bread and wine that are the Body and Blood of Christ are not merely symbols because they truly are the Body and Blood of Christ. As St. John Damascene wrote: "The bread and wine are not a foreshadowing of the body and blood of Christ—By no means!—but the actual deified body of the Lord, because the Lord Himself said: 'This is my body'; not 'a foreshadowing of my body' but 'my body,' and not 'a foreshadowing of my blood' but 'my blood'" (The Orthodox Faith, IV [PG 94, 1148-49]). At the same time, however, it is important to recognize that the Body and Blood of Christ come to us in the Eucharist in a sacramental form. In other words, Christ is present under the appearances of bread and wine, not in his

own proper form. We cannot presume to know all the reasons behind God's actions. God uses, however, the symbolism inherent in the eating of bread and the drinking of wine at the natural level to illuminate the meaning of what is being accomplished in the Eucharist through Jesus Christ. There are various ways in which the symbolism of eating bread and drinking wine discloses the meaning of the Eucharist. For example, just as natural food gives nourishment to the body, so the eucharistic food gives spiritual nourishment. Furthermore, the sharing of an ordinary meal establishes a certain communion among the people who share it; in the Eucharist, the People of God share a meal that brings them into communion not only with each other but with the Father, Son, and Holy Spirit. Similarly, as St. Paul tells us, the single loaf that is shared among many during the Eucharistic meal is an indication of the unity of those who have been called together by the Holy Spirit as one body, the Body of Christ (1 Cor 10:17). To take another example, the individual grains of wheat and individual grapes have to be harvested and to undergo a process of grinding or crushing before they are unified as bread and as wine. Because of this, bread and wine point to both the union of the many that takes place in the Body of Christ and the suffering undergone by Christ, a suffering that must also be embraced by his disciples. Much more could be said about the many ways in which the eating of bread and drinking of wine symbolize what God does for us through Christ, since symbols carry multiple meanings and connotations.

### Caring Corner

A new book in the Stephen Ministry library is *Hope Beyond an Empty Cradle*, that helps parents deal with the loss of a baby to miscarriage, stillbirth or infant death. We recently shared this book with a grieving parent and she writes: "Thank you so much for allowing me to read that book. I just finished it, and wow, was it a powerful story; very sad, but I know this book was a blessing to me. It's helping me process my emotions and thoughts." If you know someone dealing with the loss of a baby, please contact a Stephen Leader to borrow this powerful book.
