The call to love our neighbor is universal and those facing homelessness need our help desperately – not only at the holiday season, but all year round.

A gift of just $10.00 will help us purchase 10 pairs of socks. A larger donation provides socks PLUS gloves, hat, shoes, boots, backpacks and other necessities that are so desperately needed. And, when you support SocksPLUS, 100% of your donation is used immediately to provide caring assistance to our struggling citizens.

It has been really exciting to see so many people support this effort. SocksPLUS has evoked emotion, impact and action. We have a network of over 100 “Tribes” of individuals, churches, schools, businesses, hospitals, and other groups who have supported this effort to provide for our homeless neighbors. It’s great to see the commitment and energy of so many. Become part of this movement. Start your own tribe or donate today. Then, help us take SocksPLUS viral so others can make a difference, too. Talk about SocksPLUS and your support on Facebook, Twitter, and any other social media.

“Our partnership with the Community West Foundation allows us to make a greater impact to help those experiencing homelessness here in Cleveland, especially the many families with vulnerable children. The Foundation helps us improve the lives of those most in need and has touched thousands of people in our community by the SocksPLUS program.”

“The Metanoia Project is open during the months of December through April to assist the shelter resistant homeless with food, clothing, shelter and other services during the frigid winter weather. The SocksPLUS Program enables us to provide warm clothing and other items for the comfort and dignity of our homeless. Donations of clothing and financial gifts make this program possible. Thank you Community West Foundation.”
